Attached is a copy of H.R. 2752 which you forwarded to us on 27 February requesting that we review, especially Section 4, and notify you if we believe the restrictions would seriously hamper any of our activities.

We do not believe this has a direct impact on our activities, but it would appear to have an impact on the Office of Security which is charged with background investigations. If you have any further questions, you may wish to contact [redacted] our Deputy Director of Personnel for Recruitment and Placement, on extension [redacted]
